GAASTA Orchestra Camp c/o Tim Anderson

The Georgia American String Teachers Association Summer Orchestra Camp at the Calvin Center in Hampton, Georgia is a comprehensive orchestra curriculum for students in grades 4-9. GA ASTA developed this camp to encourage young string players as they discover the fun and rewards of making music together. The daily schedule revolves around rehearsals, meals, recreation time, and small and large group activities.

The evening schedule changes each night and includes recitals, movies, and lots of other fun events! Registration begins at 2PM on the first day of camp and each camp ends with the final concert at 2PM on the final day. A full schedule for your session will be included in your camp packet sent to you about 2 weeks before camp starts!

Camp Calvin is a beautiful wooded facility just south of Jonesboro about half an hour drive from downtown Atlanta. The main Conference Lodge is where most rehearsals and concerts take place. The Conference Lodge houses two students to a room or up to six per room fit in the nearby Geneva Lodge with all the modern conveniences. All meals are served cafeteria style just a short walk from the Conference Lodge and include a full salad bar and many healthy options at every meal.

Recreational activities are a priority! Students will enjoy lifeguard supervised pool time, a camp fire, hayride, ice cream social, and movies. Camp 2 also includes canoeing, a talent show, and a dance. Using the camp website parents will be able to attend a 'virtual camp,' as we upload pictures and videos of events as they happen!

With an anticipated enrollment of between 40 and 60 students per session, our teacher to student ratio is about 1 to 6. Students will work closely with these certified professional teachers every day in instrument specific sectional rehearsals, small group chamber ensembles, and large group orchestra rehearsals as they prepare for their final concert.

The staff is composed of well-known ASTA string teachers from throughout the state of Georgia. Students will be carefully supervised for their entire camp experience. Tim and Tricia Anderson serve as Camp Directors. Although individual members of the faculty may differ from year to year, our staff has included Sharon Anderson, Sarah Black, Amy Clement, Sheldon Fisher, Carolyn and James Landreau, Carl Rieke, Grace Parsons, Marilyn Seelman, Bernadette Scruggs, Matt Thomas, and many other outstanding teachers from throughout the state.

Please review the available sessions and choose the camp appropriate for your grade level. To apply, complete the information on the back of this page or visit our web site. Grade levels refer to last completed grade. If you're not sure, please check our website for more detailed information.
